Re: *United States v. Wehnert* 11-cr-05 (SLT)

Dear Judge Townes,

I write to request this Court modify Mr. Robert Wehnert's bail conditions to remove electronic monitoring and reinstate the conditions of release originally imposed on January 20, 2011. As the Court is aware, electronic monitoring was ordered as a result of the charges against Mr. Wehnert in Queens County, New York. The Queens charges were dismissed on April 30, 2012. Accordingly, we request electronic monitoring be removed and Mr. Wehnert's original bail conditions in the instant case be reinstated with an additional condition prohibiting contact between Mr. Wehnert and the complaining witness and her mother from the now dismissed Queens case.

The Government by AUSA Evan Norris and Pre-Trial Services Officer Michael Ilaria have consented to this request.

Very truly yours,

s/ Joseph R. Corozzo
